# I HATE THAT GUY!!

hi,my name is My name and meet someone i really really HATE!

i hate him becuse he keep telling people that he like me! but

i reall hate!!he is a Bad adjective and Bad adjective Bad adjective

and whenever i saw him at Location i really really

want to punch him in the Part of body

ps-if you really really hate someone you should

tell him the truth,or then he won't leave you

alone
