lol this is just me testing out things with my own work

There goes the first Noun. I face a Part of Body race itself up to my Part of Body as the colours reflect against both of our faces, First Name of a Person Verb Present ends in S me. This time it feels like it means something, like the other two were just Verb Present ends in S. Testing the waters. I return it, with actual feeling this time. The fireworks are almost definitely still going off, I close my Part of Body and forget about everything around, just for this moment. First Name of a Person the first to pull away and my Part of Body finds itself on her Part of Body Verb Present ends in ING absent circles. First Name of a Person just looks at me Verb Present ends in ING, like she doesn't have any words she can come up with. She's just looking at me differently this time, less Adjective, less Adjective, more understanding. I just want to get lost in her Part of Body and Verb Base Form there forever. First Name of a Person Verb Present ends in S my free hand Verb Present ends in ING it, all sorts of colours Verb Present ends in ING against our clothing and Part of Body. The Noun Plural still Verb Present ends in ING in the distance.
