Madlib About BricktoPunks

Every BricktoPunk NFT is a 3D Noun that has been Verb Past Tense using the BricktoPunk-AI.		
This algorithm was generated over months to create NFTs that ensure variance in the manner		
that each brick is verb Past Tense, and the brick used.		
The effect of this is that it gives a ' touch ', making every NFT feel like a mosaic that was		
created by a using their collection of Noun Plural		
The subject of each piece sits a layer above the, creating depth in the piece and emphasising its		
3D layering.		
Kanye West, First Name of a Person Vuitton creative director First Name of a Person Abloh, NBA MVP		
Russell Westbrook & Young Thug are among the many of @Law_Degree.		
In May, he made hisAdjective Ends in EST in the NFT space when he created the artwork for		
Proper Noun Rookie of the Year First Name of a Person Ball's first collection, which sold \$1.7m worth		
of NFTs.		
BricktoPunks marks @Law_Degree's first solo NFT release.
