# Android on the loose

You invent the first \_\_\_\_\_ Adjective android in your basement laboratory. You pride yourself on her \_\_\_\_\_ Adjective appearance, having removed all \_\_\_\_\_ Adjective characteristics and making her look like an \_\_\_\_\_ Adjective teenage \_\_\_\_\_ Noun. Her social skills, however, leave much to be desired. You decide to send this android to the local high school so that she can learn how to interact with \_\_\_\_\_ Noun Plural. At first, things go along \_\_\_\_\_ Adjective as she is able to quickly grasp how teenagers act and how to socialize with them. However, when you hear a rumor that she has been seen kissing the local \_\_\_\_\_ Adjective \_\_\_\_\_ Noun on his \_\_\_\_\_ Noun, you realize that your invention requires parental intervention before things get worse (or, at the very least, an on/off switch).
