# Soren's 10th Birthday Adventure

## SOREN'S BIRTHDAY ADVENTURE:

Ten years ago, when the \_\_\_\_\_ Object Noun faced the \_\_\_\_\_ Object Noun at just the right angle, an exceptionally \_\_\_\_\_ Adjective baby came into the world, surrounded by \_\_\_\_\_ Noun.

At the same time, on a(n) \_\_\_\_\_ Adjective planet called Earth, a baby named Soren also came into the world, surrounded by love.

\_\_\_\_\_ Very Big Number \_\_\_\_\_ Adjective kilometers separated them, but parts of their childhoods were similar.

The alien child, named Dalgrish, \_\_\_\_\_ Verb Past Tense all the local, abandoned snarlag dens and \_\_\_\_\_ Adverb gill-glopped \_\_\_\_\_ Noun Plural for fun.

Soren played in parks and libraries and learned to \_\_\_\_\_ Verb Base Form all on his own.

Dalgrish looked at their \_\_\_\_\_ Colour sky and wondered " \_\_\_\_\_ Exclamation To think that I live in this \_\_\_\_\_ Adjective place!"

Soren looked at his own, \_\_\_\_\_ Adjective sky and wondered " \_\_\_\_\_ Exclamation To think that I live in this mysterious place!"

They grew older still.

Over time, Dalgrish found \_\_\_\_\_ Number blurks to protect from \_\_\_\_\_ Adjective danger, especially in the season of \_\_\_\_\_ Noun Plural and volcanoes.

Meanwhile, Soren gained a younger brother and two cousins and a(n) \_\_\_\_\_ Adjective puppy to share \_\_\_\_\_ Adverb in the wonders of his world.

When

Dalgrish turned 10, giant snarlags \_\_\_\_\_ Verb Past Tense to reclaim their ancient dens, just as the \_\_\_\_\_ Noun of Eshildu had foretold. It was time for the child to \_\_\_\_\_ Verb Base Form for a new adventure.

And when Soren turned 10... well, but that's where the \_\_\_\_\_ Noun ends, because Soren's story has always been his own to tell. And even if he never gets to meet with every wonder in our \_\_\_\_\_ Adjective galaxy, including any alien children born at exactly the same \_\_\_\_\_ Unit of Time, that story will be a gift that keeps on \_\_\_\_\_ Verb Present ends in ING. Why? Because every story is \_\_\_\_\_ Adjective -- and because every story is unique, each one simply has to be \_\_\_\_\_ Verb Past Tense as we go.

So, happy birthday, Dalgrish!

And happy \_\_\_\_\_ Special Day, Soren!

May all your \_\_\_\_\_ Noun Plural be \_\_\_\_\_ Adjective and good. :)
