It snowed back in 2008 I wasn't born _____Pronoun_____ I was born 2009 my older brother was 1 yrs old when it snowed. not much he can remember or if he remembers anything at all! My first snow day was the year of 2020. I was in the 6 grade I was playing video games, then my mom called me down to look at something on the Tv look and it was SNOWING but we live in the desert then I got an idea we should go play with the Snow, Then we put on clothes that are good for cold stuff then got into the car we drove to the spot where the snow was then we arrive at the spot and there was SNOW, we were so happy we play and play until we got tired and went home and got rest for the next day.
