A gingerbread Man...

On a very Adjective night, a few years ago, there was a Adjective old lady and a Repeat Last Adjective old man who were very Adjective. They heard about the story of the Adjective man and thought they would try to bake a Adjective child of their own. They mixed together everything they needed for the recipe: Adjective flour, Adjective eggs, Adjective butter, Adjective spices, and most importantly Adjective.

The old lady used her Adjective Ends in EST rolling pin and her Adjective Ends in EST cookie cutter. She thought she had a very Adjective cookie/son. She put him in the Adjective oven and after a few minutes, it started to smell really Adjective in their house. When the timer went off, she took the cookie out of the oven and...

She had a cookie. This isn't a fairy tale; it's a story about two fairly stupid people.
