Figurative Language Story?

| The song | song title | _ makes me feel as | Adjective | as a | Noun | . Which is v | why I listened to i |
|---------------|-------------------|----------------------------|----------------|--------------|--------------|----------------|----------------------|
| during class | instead of pa | ying attention to the les | sson. It was l | kind of a ci | azy class. ' | The classroo | m was a |
| Event | The teach | er was out today. They | y say he was | as sick as a | aAnima | . Our | sub was Mr. |
| Michaels. M | Ir. Michaels n | nade us mop mucus m | ats in | Location | . I thought | we would h | ate that, but it was |
| actually a lo | t more fun tha | an our usual classwork | , especially v | with the mu | ısic. It was | nice seeing | all the soap |
| bubbles | action a human ca | across the floo | or as we clea | ned. It was | hard work | , and by lun | ch time I was so |
| hungry I cou | ıld eat a | Animal ! We got to | the cafeteria | and I took | my seat | Onomatopod | ia! The |
| sound caugh | nt the whole ro | oom's attention before | I could even | take a bite | • Onoma | atopoeia . | and then |
| Onomatop | oeia ! The | one making the racket | t was our sub | Mr. Mich | aels. He str | rutted into th | e cafeteria like |
| famous per | rson "Th | is ceiling isn't the best, | but it's up th | nere." he an | nounced b | efore taking | his seat. I turned |
| my attention | back to my l | unch. Today's meal wa | as mystery so | oup. I took | a spoonful. | It made a _ | Adjective |
| sound as I li | fted the spoor | n from the bowl. It was | s boiling hot | and the hea | at radiated | of the spoon | like a |
| Noun | on fire in . | July. It smelled | djective al | nd tasted | Adjective | Once | I was finished |
| everyone ag | reed that it lo | oked pretty ugly, but ta | asted awfully | good. | | | |
