It's a Small World

It's a Noun of laughter

A Noun of tears

It's a Noun of Noun Plural

And a Noun of Noun Plural

There's so much that we share

That it's time we're aware

It's a Adjective world after all

It's a small Noun after all

It's a Adjective world after all

It's a small Noun after all

It's a Adjective, Adjective world

There is just one Noun

And one Adjective Noun

And a Noun means

Friendship to everyone

Though the Noun Plural divide

And the Noun Plural are wide

It's a small Noun after all

It's

a Adjective world after all

It's a small Noun after all

It's a Adjective world after all

It's a Adjective, Adjective Noun
