Choir #2

I love being in choir. I practice every day and also write songs about _____ Noun Plural as often as I can. The choir that I'm in is called the _____ Adjective _____ Noun Plural. We sing _____ Adjective music, which sounds a lot like classical, but with a lot of _____ Noun put into it. One day, I got in an argument with the conductor, _____ Full Name of a Person and the accompanist, _____ Full Name of a Person. I wanted us to sing a song about my _____ Adjective _____ Noun _____, _____ First Name of a Person. The told me it was too _____ Adjective to sing. This made me feel a certain type of way, so I decided to leave the choir. Now, I am a solo singer and I'm working on a new song, which is about _____ Noun Plural. I know I will be _____ Adjective someday!
