evil lurking

my _____are _____through the _____me here,
_____by myself! (well, not _____ they only left me here to take care of jerimia, my little
brother.)

any way, _____go in _____living room and _____some t.v.

after, i got tired, and went upstairs to sleep. when i got to my bed, though, i herd thump, thump, thump.

i thought "what the heck!thats coming from the attic!

i shiver and as i _____upstairs, _____stairs creek. i jump and scream at the same time! i wish
mum and dad were here. i _____open the door and...

AAAHHHOH wait. its my brother, _____tellitubbies. well geeze, THAT was tramitizing.

when my mom and dad come home, i tell them all about it.

ever seince then, they make fun of me for it.
