# Dr. Kriegstern

Dr. \_\_\_\_\_, a \_\_\_\_\_, \_\_\_\_\_, has found footsteps to a \_\_\_\_\_ research facility, he thought was abandoned years ago. When he entered the \_\_\_\_\_, he could not believe his eyes. Children. He saw children, and people making experiments with them. Since he did not want to have any of this, he decided to gun the mad scientists down and \_\_\_\_\_ all the children. He then left the facility with \_\_\_\_\_ children, some of them in a good condition, some in a critical. Still... his plan was a success
