Inside the Vault

Hoisted into the air by his _____Part of the body_____, Harry hit a suit of _____Metal object_____ and replicas burst out of it like _____Color_____ bodies, filling the cramped space. With screams of _____Feeling_____, Ron, Hermione, and the two goblins were knocked aside into other objects, which also began to replicate. Half buried in a rising tide of red-hot treasure, they struggled and yelled as Harry shoved the sword through the handle of Hufflepuff's _____Kitchen appliance_____, hooking it onto the blade.
