# Dystopian Mad Lib

After many controversies where citizens have accused us of doublespeak, _____Proper Noun_____ wants to remind you of our mission: _____CompanySlogan_____. Some people say that profits get in the way of our mission to make the world a better place. Many critics have called our product a weapon of oppression. Do not listen to these un-American troublemakers who are only jealous of our immense success!

These critics claim that _____Proper Noun_____ will use our product to harm those under their control by _____Verb Present ends in ING_____. Some critics even say they feel intimidated by the ability of the technology to _____Verb Base Form_____. But aren't _____Proper Noun_____ also just trying to make the world a better place? Meanwhile, the jealous critics claim that _____Proper Noun_____ are using the technology to _____Verb Base Form_____ and that is causing social problems. But come on! Let the free market decide! If people did not love _____Repeat Last Proper Noun_____, then we would not be enjoying such incredible success. Technology is progress, and progress is good!
