Half Life Quotes 2

"So Corporal _____Last Name_____, do we meet at last. Please, don't think that I've been avoiding you, a great many matters require my attention in these... _____Adjective_____ times. I do hope you understand, and now I require a further _____Concept_____ on your part: I cannot close my report until every loose end has been tied up. The biggest embarrassment has been Black _____Cool Name_____ facility, but I think that's finally taken care of itself."

a nuclear _____Noun_____ detonates in the background

"Quite so. But there is still the lingering matter of witnesses. I admit I have a fascination with those who adapt and _____Verb Base Form_____ against all odds... they rather remind me of _____Person_____. If for no other reason, I have argued to preserve you for a time.

While I believe a civil _____Noun_____ like yourself understands the importance of... discretion, my employers are not quite so trusting and rather than continually subject you to the _____Adjective_____ human temptation of _____Verb ending in ING modifying a noun_____ all, we have decided to... convey you somewhere where you can do no possible harm... and where no harm can come to _____Person_____. I'm sure you can imagine that there are worse alternatives..."
