# Classis WOW Orc Intro

Long ago the Adjective Horde was corrupted by the Cool Name Legion and lured to the world of Location.

For generations the Orcs made war upon the Noun kingdoms of Location and Location.

Though the Horde was ultimately defeated, a visionary young warchief named First Name rose to lead his people in their Adjective Ends in EST hour.

Under First Name Possessive rule, the Orcs freed themselves from the chains of Adjective corruption and embraced their Proper Noun heritage.

After years of Verb Present ends in ING, the Orcs founded their own kingdom in the harsh wastelands of Location.

Based in the warrior city of Cool Name, they stand ready to destroy all who would challenge their Noun.

As a proud job title of Location, it is your duty to Present tense verb modifying a noun your enemies both seen and unseen, for the Adjective agents of the Cool Name Legion still wander the lan
