Vortigaunt Speech

Vortigaunt: [addressing Freeman after being discovered at a hidden campfire] We remember the _____ Last

Name _____ We are _____ Adjective _____. There is no distance between us. No false veils of time or space may

_____ Verb Base Form _____. We see you still in _____ Color _____. Mesa. Clearly we see you in the _____ Person Possessive

chamber. We bear witness to the bright eternity of the _____ Person Possessive _____. demise. You leap, you fall, we see

you flash between the barriers. We are there still, in observance of your final _____ Noun _____. While our

_____ Noun Plural _____. lay scattered at your feet, you severed the vortal _____ Noun _____. that bound the

_____ Proper Noun _____. to life, and to us. That sharp spur of hope has not dulled to this day. For once the lesser

master lay _____ Adjective _____. we knew the greater must also fall in time.

For a brief time you joined with us. You are _____ Adjective _____. Between the worlds. Communion of the

_____ Proper Noun _____. And that other: a deeper _____ Concept _____. No deeper than the void itself. We cannot forget

those whose _____ Noun Plural _____. you cut. _____ Concept _____. is not ours to bestow. Unity of purpose, the shattering

of common shackles, a single road we tread. Your song we sing and shall sing for eternity. No matter the

consequences of this struggle. You have brought us grief and _____ concept _____. beyond measure. With you beside

us, a talisman of victory, the day of freedom draws nigh.

Your bright _____ body face _____. obscures your darker _____ Noun _____. We call you _____ name _____. although your

_____ body part _____. and meaning are a mystery to us. Far distant eyes look out through yours. Something secret

_____ verb plural modifying noun _____. us both. We shall not name it. We have endured these chafing _____ Noun Plural

for

_____ time period plural like minutes _____, yet a single moment of further servitude seems intolerable! How often have we slipped our yoke, only to find _____ Noun _____ choking us again. Let this war end in either total victory or our extinction. No further compromise shall we allow. We take our stand beside you, here, upon this miserable _____ Noun _____.

The way ahead is dark for the moment. What seems to you a sacrifice is merely, to us, an _____ Noun _____. We do not fear the _____ Noun _____ of darkness. We are a tapestry woven of _____ Proper Noun _____. It is the same for you if only you would see it. How many are there in you? Whose hopes and dreams do you encompass? Could you but see the eyes inside your own, the minds in your mind, you would see how much we _____ Verb Base Form _____. We are you, _____ Last Name _____. And you are _____ Adjective _____.
