Half Life 2 Quotes

_____First Name_____ Kleiner: What you're seeing is the infancy of a _____Noun_____. If it attains full strength -

Eli Vance: It'll be the Seven Hour War, all over again. Except this time, we won't last seven minutes.

Alyx _____Last Name_____: My god ... _____First Name_____, maybe that's why they were sending so much data from the Citadel -

Dr. Kleiner: Data? From the _____location_____?

Alyx: In the control room ... they were feeding huge volumes of _____Noun_____ directly into the core destruction sequence.

Dr. Kleiner: [to someone out of the camera's sight] _____First Name_____, did you hear that?! I bet it's the Combine portal code!

Arne Magnusson: Yes, yes, I'm not _____Adjective_____!

Alyx: I downloaded the whole _____Noun_____, and they have been chasing us ever since.

Dr. Magnusson: Well, of course they have! You see Kleiner, it's the lynchpin of all of their _____Noun Plural_____!

Dr. Kleiner: I can see that. I never said -

Dr. Magnusson: Now, somewhere in that sequence, they would've had to establish a connection with the far side. What you have there, young _____Noun_____, is the specific contact code for the _____Cool Word_____ Overworld!

Eli: Good god ...

Dr. _____Last Name_____: If I'm right about this - and I have no reason to doubt myself - you are carrying the very code Doctor _____Last Name_____ had hoped to recover! Now, how soon can you get here?

Alyx: Well, we have to get our _____Noun Plural_____, but we can't -

Dr. Magnusson: There is no time to waste! We'll need to step up the launch schedule and as soon as you get here with the _____Adjective_____ data, we'll encode the _____Noun_____ and get the _____Adjective_____ thing into orbit!
