The Dog

A girl is alone at home one night, for the first time. She has a _____Animal_____ to keep her company. The girl listens on the news about a serial _____Noun_____ on the loose. She goes to sleep after locking all the _____Noun Plural_____ and _____Noun Plural_____ but for one, which doesn't close.

Suddenly she is awakened by a _____onomatopoeia_____ sound. Scared thoroughly, she tries to go back to sleep and puts her _____body part_____ down the bed for a reassuring _____verb modifying a noun_____ from her dog. As the _____onomatopoeia_____ sound continues, she goes to check on the taps in the kitchen, bathroom and everywhere else but finds nothing.

She returns to her _____Noun_____ and puts the _____body part_____ down again for the _____Noun_____ to lick. The _____onomatopoeia_____ sound continues and the girl is too frightened to fall asleep. But as her _____body part_____ gets _____verb past tense modifying a noun_____ from under the bed, she slowly falls asleep.

In the morning, when she opens the closet, she finds her _____Noun_____ _____verb past tense modifying a noun_____ and _____verb past tense modifying a noun_____ upside down. The _____onomatopoeia_____ sound was from the dog's _____Noun_____. On the closet doors, she sees a message - "Humans can _____verb modifying a noun_____, too".
