Maybe You Will Remember

There are few things worse than the fear that you're going insane. One day, _____ Person and her mother stop at a hotel in _____ Location. Her mother is ill, so the girl calls the hotel _____ profession to see what can be done for her. The _____ profession says she needs _____ Noun, and it can be retrieved from his wife across town. When she returns to the hotel, no one seems to remember who she is. When she asks to see the room her mom is in, it's totally different than the one she recalls. It turns out that _____ Person Possessive mother had the _____ illness and died soon after her daughter left. In order to divert _____ concept, the _____ profession buried her _____ Noun in a cemetery, redecorated the room completely and told everyone in the hotel to pretend they didn't _____ verb present tense modifying a noun her. What resulted was a poor girl who thought she was losing her _____ body part and didn't know where her mother was.
