Half Life Plot

The game is set during May _____Year_____ in a remote area of _____State_____, USA at the Black Mesa Research Facility; a fictional _____Noun_____ that bears many similarities to both the _____Cool Name_____ National Laboratory and _____Cool Name_____ 51.

Early in the morning, Dr. Gordon _____Last Name_____, a recent _____University Name_____ graduate in theoretical _____School subject_____, and also a recent employee at Black Mesa, goes to the _____Adjective_____ Materials lab to participate in an experiment that involves an alien _____Noun_____. After the test goes unexpectedly _____Adjective_____, a phenomenon called _____Noun_____ Cascade occurs and causes massive dimensional _____Noun Plural_____, opening a portal between Earth and _____Location_____. Upon waking up, Gordon leaves the test chamber and starts exploring the place. Soon, he finds out that the facility is infested with dangerous and _____Adjective_____ _____Adjective_____ creatures. Arming himself, Gordon starts his journey to the surface.

As the situation escalates, Gordon finds himself caught between two opposing factions: the _____Adjective_____ _____Noun Plural_____, and the _____Adjective_____ Environment Combat Unit, a military _____Noun_____ dispatched to cover up the incident -- including eliminating _____Last Name_____ and the rest of the Black Mesa Science Team. Throughout the game, a mysterious figure known as the _____Person_____ regularly appears, apparently monitoring _____Person Possessive_____ progress with _____Adjective_____ serenity. _____Adjective_____ barely fights his way through the facility and at one point even deals with the Black Ops soldiers sent to eliminate all the scientists,

aliens and HECU _____Noun Plural_____. Cooperating with surviving scientists and security officers, Gordon ultimately works his way to the mysterious _____Cool Name_____ Complex, where a team of scientists teleports him to the alien world _____Location_____, where he must destroy the _____Person_____, the creature keeping _____Location Possessive_____ side of the dimensional rift open.

After reaching the alien dimension and fighting hordes of different _____Adjective_____ _____Noun Plural_____, _____Person_____ manages to reach the portal that takes him to _____person possessive_____ chamber. After a challenging battle, the scientist gains the upper hand and finally destroys the _____Noun_____. As the _____Noun_____ explodes, Gordon suddenly gets _____verb past tense modifying a noun_____.

Upon gaining his senses back, Gordon sees the mysterious _____Person_____ that he has encountered multiple times throughout his journey in Black Mesa. Speaking in a strange manner, the man says he is impressed by Gordon's deeds and his _____Noun_____. Claiming _____Location_____ to be under "their" control, G-Man comments that he has recommended Gordon's services to his employers, and that now he wishes to offer Gordon a _____Noun_____. Finally, _____Person_____ makes Gordon choose between accepting the offer by jumping into the _____Noun_____ and fighting a battle with no chance of survival. After a brief moment, _____Person_____ steps into the portal, thereby accepting the job.
