Like length like inches from the midday sun
Well, I hear you verb Base Form and the Noun Plural melt everyone
But you stay soAdjective
My <u>nickname</u> , my Spanish Harlem <u>first name</u> Lisa
You're my reason for reason
The step in my
And if you said this ain't ain't enough
I would give my to lift you up
I could change my to better suit your Noun
Because you're soAdjective
And it's just like the under the moon
Oh, it's the same as the that I get from you
You got the kind of lovin' that can be so, exclamation
Give me your body part, make it Adjective, or else forget about it
But I'll tell you one thing
If you would leave it'd be a crying
In every Noun and every word

hear your name calling me out
Out from the
You hear my rhythm on yourtechnology like stereo
You feel the turning of the <u>Noun</u> , so <u>Adjective</u> and slow
It's turning you round and round
And if you said this ain't good enough
I would give my to lift you up
I could change my to better suit your Noun
Because you're soAdjective
Well, and it's just like the under the noun
Well, it's the same as the that I get from person
You got the kind of lovin' that can be so smooth,exclamation
Give me your, make it, or else forget about it
Well, and it's just like the under the moon
Oh, it's the same as the that I get from person
You got the kind of lovin' that can be so, yeah
Give me your, make it real, or else forget about
Or else forget about
Or else forget about

Oh,

let's don't forget about it
Give me your, make it real
Let's don't forget about it (
Let's don't forget about it (now,, now,, now,)
Let's don't forget about it (now, now, now,onomotopoeia)
Let's don't forget about it (hey, now, now,)
Let's don't forget about it (hey, hey,)
