New Year, New You

This year, I Verb Base Form to make some New Year's Resolutions. My resolution last year was to Verb Base Form the place. My relation ie sister friend uncle dad said that I did a Adjective job achieving this goal. I feel emotion about this and vow to do even better this year, even if I disappoint Noun. Last year was an Adjective year for me. The Noun Verb ending in ed, my love Verb Base Form the Noun. This year, my resolution is to Verb Base Form the Noun. This is definitely a Adjective goal. I know my mother would feel Adjective about this goal. Unfortunately, my family member got Verb Past Tense over by a Noun. I know my same family member is Verb Present ends in ING down on me from place. I believe that my goal is Adjective and therefore I will be successful. I bet I will achieve this goal by month. Otherwise, I will need to Verb Base Form. Oh well, there's always next year.
