# LatinxED Pitch #3

Let me ask you something: when was the first time \_\_\_\_\_  
question connected to their lived experience? Your experience is  
very similar to mine and the fact that the majority of Latinx folks in our state also share this is what fuels  
LatinxEDs work. We are an education nonprofit organization in North Carolina and we focus on  
\_\_\_\_\_  
problem we are solving. We have created programs to provide \_\_\_\_\_  
solution to the problem for  
\_\_\_\_\_  
one of our key audiences. Through our work, we have \_\_\_\_\_  
example of impact. We know that going through  
this experience can sometimes feel scary and lonely, but you do not have to do it alone. We are here to serve as  
your \_\_\_\_\_  
metaphorical role we can play so join us by \_\_\_\_\_  
ask for this person.
