2. Noun _____
3. Noun _____

rip

Rest in peace to the world, it's the end as we know it

Death is pulling up and taking everyone heroic

Evil's at the top, take a look at who's in office

Sometimes I feel that it's too late to stop it

R.I.P. mom, R.I.P. B, R.I.P. Dad

Yeah, you're in Heaven now relax

This crap got me tearing up, it's like it's one after another killed

Hurts me, but imagine how the mothers feel

Got me feeling like I never wanna pop another _____Noun_____

Too many member taken away, I can't believe it's _____Noun_____ real

_____Noun_____, what do we do?

So many people that look up to you

Especially me, what did tou do

but you help me get through, frack

Got me thinking man, I don't wanna die too soon

Got a lot of crap that I still wanna do

Just turned 13 and I still want the coupe

And I still wanna buy my grandma a house and the pool

Might

go out with a needle, might go out with a knife

All legends die young, R.I.P. to the greatest

You will always live on through the music you created

So I gotta thank you for making me, me

'Cause without your music, don't know who I'd be

Today a angel OD'd, this is my eulogy

Rest in peace to the world, it's the end as we know it

Death is pulling up and taking everyone heroic

Evil's at the top, take a look at who's in office

Sometimes I feel that it's too late to stop it

R.I.P. X, R.I.P. Peep, R.I.P. Mac

Yeah, you're in Heaven now relax

This crap got me tearing up, it's like it's one after another killed

Hurts me, but imagine how the mothers feel
