# Firework - Katy Perry (complete)

Do you ever feel like a Adjective Noun

Verb Present ends in ING through the wind, wanting to start again?

Do you ever feel, feel so Adjective

Like a house of Noun Plural, one blow from cavin' in?

Do you ever feel already buried deep?

Number feet under Noun Plural, but no one seems to hear a thing

Do you know that there's still a chance for you?

'Cause there's a Noun in you

You just gotta Verb Base Form the Noun

And let it Verb Base Form

Just own the night

Like the Fourth of Month

'Cause baby, you're a Noun

Come on, show 'em what you're worth

Make 'em go, " Sound, Sound, Sound "

As you Verb Base Form across the Location

Baby,

you're a Repeat Last Noun

Come on, let your Noun Plural burst

Make 'em go, " Sound, Sound, Sound "

You're gonna leave 'em all in awe, awe, awe

You don't have to feel like a Noun

You're Adjective, cannot be replaced

If you only knew what Noun holds

After a hurricane comes a rainbow

Maybe a reason why all the Location - Plural are closed

So you could open one that leads you to the Adjective road

Like a lightning bolt, your heart will Verb Base Form

And when it's time, you'll know

You just gotta ignite the Noun

And let it Verb Base Form

Just own the night

Like the Fourth of Month

'Cause

baby, you're a Noun

Come on, show 'em what you're worth

Make 'em go, "Sound, Sound, Sound"

As you Verb Base Form across the Location

Baby, you're a Repeat Last Noun

Come on, let your Noun Plural burst

Make 'em go, "Sound, Sound, Sound"

You're gonna leave 'em all in awe, awe, awe

Boom, boom, boom

Even brighter than the Noun, Repeat Last Noun, Repeat Last Noun

It's always been inside of you, you, you

And now it's time to let it through

'Cause baby, you're a firework

Come on, show 'em what you're worth

Make 'em go, "Oh, oh, oh"

As you shoot across the sky

Baby, you're a firework

Come

on, let your colors burst

Make 'em go, "Oh, oh, oh"

You're gonna leave 'em all in awe, awe, awe

Boom, boom, boom

Even brighter than the moon, moon, moon

Boom, boom, boom

Even brighter than the moon, moon, moon
