The Poptart Adventure

Bill wanted a snack, late at night. He went downstairs and ripped open some pop tarts. He put the poptarts into the _____Noun_____ but then something weird happened. The poptarts screamed "_____Sound you Make_____!" Bill jumped, "What's going on here?!" The poptarts were everywhere, and they ran away in every direction. There was a poptart did a backflip out the window, one was in the dog bowl, and the other was in Bill's hair. Bill did not know what to do. He opened the fridge and grabbed the _____Noun_____ and started spraying the milk everywhere- but they were immune. Now the whole kitchen reeked of milk. The poptarts continued to cause chaos, until the clock struck 12:00AM. Then they went back to being just pop tarts. Bill's dog, _____Name_____, ate all the poptarts.
