[Verse 1]

Time of Day

You come and pick me up, no Noun Plural

A long drive

Could end in burning Noun Plural or paradise

Verb Base Form

into view, oh

It's been a while since I have even Verb Past Tense from you

[Pre-Chorus]

And I should just tell you to Verb Base Form, 'cause I

Know exactly where it leads, but I

Watch us go 'round and 'round each time

[Chorus]

You got that First Name of a Person Last Name of a Person daydream look in your eye

And I got that Color lip Adjective thing that you like

And when we go Verb Present ends in ING down, we come back every time

'Cause we never go out of style, we never go out of style

You

got that long _____, slicked back, white t-shirt

And I got that _____ girl faith and a tight little _____

And when we go _____ down, we come back every time

'Cause we never go out of style, we never go out of style

[Verse 2]

So it goes

He can't keep his _____ eyes on the road, mmm

Takes me home

The lights are off, he's taking off his _____, mmm, yeah

I say, "I heard, oh

That you've been out and about with some other _____"

[Pre-Chorus]

He says, "What you heard is true, but I

Can't stop _____ 'bout you and I"

I said, "I've been there too a few times"

[Repeat Chorus]

[Bridge]

Take me home

Just take me home

Yeah, just take me home

Oh-oh, woah-oh, oh

[Repeat Chorus]
