Why cats are better than dogs

Cats are way _____Adjective_____ than dogs because they can go outside and catch their own food, so you don't have to spend hundreds of dollars on cat food every year, even though you do have to feed them, they can't just live off rats and _____Adjective Ends in EST_____. Also, cat's are way easier to take care of, as they take care of themselves, they can clean themselves, they can do their business outside, and they can make sure your house is rodent free. Unless your cat is really _____Adjective_____, then they are very quiet and they do not run around the house barking like a dog would. If you are out walking their dog, and they took a dump, then the owner would have to pick it up, whereas with a cat, you don't have to worry about _____Adverb_____ up after them.
