# Car ride entertainment

In the \_\_\_\_\_ 's the Williams family would go on long car rides to visit Harriett's parents, either to Lima where Marcille lived, or to Alger where Rodney lived. Both trips took about \_\_\_\_\_ hours from Lorain along US-30. The drive was boring and \_\_\_\_\_. Kris would sometimes read books, or sometimes the family would play "I spy" to pass the time. Dylan wasn't very \_\_\_\_\_ at the game, and the family realized he needed glasses when he was the last to see the cows.

Dylan amused himself in other ways on these long car rides. The floor mats of our Honda had little bits of \_\_\_\_\_ tangled in them. Dylan thought it would be funny to pull up carpet fuzz and gently place them in Harriett's hair. If he was sneaky enough, he could usually decorate his mom's \_\_\_\_\_ with a \_\_\_\_\_ and bits of \_\_\_\_\_ without her noticing. Eventually, Kris would join in and the siblings would stifle their laughter while they \_\_\_\_\_ innocent. Every so often, they would catch a glimpse of Rick in the rear-view mirror while he chatted up Harriett, secretly \_\_\_\_\_ for his kids to break their hair litter record from the previous trip to his in-laws.
