a weird man

Once there was a Adjective man named First name who had a real Adjective back gaint

Body part a Adjective head his right arm always smelt Adjective and he had a pet

Animal monkey! Once he went fishing on a Noun and he was fishing for Number hours!

Finally he got a fish it was a weird fish it had a Adjective back a Adjective tail Number fins

and Color eyes! Hmmm The same first name said weird fish oh well still a tasty meal! But then thats

when he found out...it was his Family member.
