Luke the Lucky Kid's Unlucky Day

Luke was always a/an _____Adverb_____ lucky kid. It seemed like everywhere he went, four-leaf _____Plant - plural_____ grew, and there was always a/an _____Adjective_____ penny facing heads up for him to find. But on Friday the 13th, his luck took a _____Adjective_____ turn.

In the morning, a black _____Animal_____ must have walked in front of him, or maybe he _____Verb Past Tense_____ under a ladder without knowing it. Because his luck seemed to have _____Adverb_____ disappeared.

He _____Adverb_____ burned his _____Food - plural or uncountable_____ at breakfast. Then, he _____Adverb_____ missed the bus and had to run to catch it. As he ran, one of his _____Noun Plural_____ broke and he fell, landing in a puddle of _____Something wet_____.

When he got to school, he realized he forgot his _____Noun_____, so at lunch he had to eat what the cafeteria lady made: _____Food- plural or uncountable_____ and _____Food- plural or uncountable_____

He lost his favorite _____Noun_____. He spilled _____Something wet_____ all over himself in art class. He even read the wrong _____Noun Plural_____ for his history homework. Nothing was going right.

"_____Exclamation_____," he thought. "At least there's only one Friday the 13th this year."
