Cave Expedition

While on vacation, I decided to join an expedition group set to explore the mysteries within a/an
cave. The cave is known by the local as "The Noun Caverns." We
entered the maw of the cave where a sign beside the entrance read Ecloseral
; a warning written in the local dialect which roughly translates to " ! Noun Plural lie
within." verb Present ends in ING up all my courage, I decided to verb Base Form with my expedition
partner. Things were going well until about minutes in where things got Adjective My
partner <u>Verb Past Tense</u> in a/an <u>Adjective</u> stone on the cave wall that set off a <u>Adjective</u> traj
. The floor disappeared where he was verb Present ends in ING and he fell into a pit of Noun Plural
where he died verb Present ends in ING Soon after that, our guide stepped on awire that
released a volley of poison-tipped into the air. One of them verb
Past Tense the guide in his Part of Body and another got me in the Part of Body. That was enough
Verb Present ends in ING for me and I got out of there.
