Smokey aka Pokey

Last year, my Adjective friend bought me a Year Color Ford Ranger. I named him Name cuz he leaks Liquid and it burns and smokes a lot. Sometimes when I smell the Something you can smell, it burns my Body part but I don't mind. I Adverb call Name, Name (my Adjective nickname for him). He is an extended Body part Number wheel drive with a Number liter V6. He needs a lot of work and his Body part is so Adjective ending in ly rusted, he needs a Adjective one. I'm thinking about getting a flat Body part for him. I'm going to Verb Base Form him this year. I think I'll Verb Base Form him Color, Color, Color and Color!
