Personification and Apostrophe

As she opened her eyes, she could see the dappled Noun dancing a complicated Noun across the wall of her room. The storm from last night, so terrible, so loud, so frightening to her Noun Grover had stopped and been replaced by the shy happiness of a new day and bright beams of light that forced her awake. "Oh, Noun!" she Verb Past Tense. "What an unexpected visit from you! I thought I'd never see you again!" She smiled and sniffed the air. The scent of pancakes, sausages, and Adjective Noun beckoned her to rise, go downstairs, and partake of a wonderful repast. Her Noun growled insistently. "Okay, Noun!" she giggled. "Let's go!"
