# Scene 1 - It's my Party

MARY FRANCES

How do you all like the Noun?

General mutterings about how great the meatloaf was.

DANIELLE

I thought it tasted like Noun Noun.

KATHY

Danielle, one more comment like that and you will not be going to the Noun tonight, young lady.

DANIELLE

Fine, but not because you told me to, just because I want to go to the Noun.

TILLY

Kath, that may have been a little Adjective but... she's not exactly... wrong.

(chuckles)

ERNEST

You wouldn't be saying that if your family member was here.

TILLY

Well, dad's not here. So -

(She makes a Adverb grunt noise)

TONY

(entering) I hope there have not been any Adjective comments in my absence, but I fear I am very, very wrong.

(he turns to Kathy as he takes his seat)

I trust you will fill me in, Katherine.

KATHY

Well, father, I-

TILLY

(Interrupting)

Why don't we talk about this Adjective night out the twins are gonna have tonight, huh?

(Nudging Diane)

DIANE

Oh! Yea-

TONY

(interrupting)

I was not informed of any Adjective.

MARY FRANCES

Oh, c'mon Tony! It's only a small school Noun, isn't it girls?

(Turning towards the twins)

DANIELLE

Nuh uh. I got told Proper Noun Duran were gonna be there!

DIANE

You're so full of Noun! It's just Amanda's birthday party. There's only gonna be like, five, ten people there.

KATHY

Diane...

DIANE

Okay maybe fifteen. Tops. Number.

KATHY

I see.

TILLY

Oh, that sounds like fun! And... much more Adjective than the parties I attended when I was their age.

Am I right, Animal?

(Turns to Tony with a cheeky grin)

TONY

I Adverb hope so. Under no cirseedstances are the Animal - Plural to partake in any of the...

Noun you did.

TILLY

Noun?

Pft. It was sooooo much worse than \_\_\_\_\_  
Noun

KATHY

We're not going to \_\_\_\_\_  
Verb Base Form this. Not in front of...

DIANE

She means not in front of \_\_\_\_\_  
First Name of a Person.

DANIELLE

Hey! ... No actually I get it.

TONY

I won't \_\_\_\_\_  
Noun the details of what happened. However, \_\_\_\_\_  
Animal - Plural, I do trust that you'll be on  
your \_\_\_\_\_  
Adjective Ends in EST behaviour tonight. Is that understood, \_\_\_\_\_  
Animal - Plural?

DIANE

Yes... well- hm.. I would say yes. But, I don't even know what \_\_\_\_\_  
Adjective behaviour looks like. Like- how  
am I supposed to know? Maybe.. Maybe \_\_\_\_\_  
Part of Body could tell us what happened when she went to her  
\_\_\_\_\_  
Noun Plural? Then we know EXACTLY what NOT to do?

KATHY

I am warning you Proper Noun Plural. This is your last chance.

ERNEST

Oh, I'm sure one story won't Verb Base Form. Nothing too Adjective.

TONY

Yes. Perhaps it would be right to say what happened. What Tilly did. And the... Noun Plural she faced.

I'm sure you'll be keen to tell the Animal - Plural that part, Matilda?

TILLY

Maybe we don't have to tell them every detail!
