# See you in hell, Haribo Sugar-Free Gummi Bears

It was my \_\_\_\_\_ Adjective Ends in EST class of the semester, and the final exam was worth \_\_\_\_\_ Number % of our grade.

After a late \_\_\_\_\_ time of day study session I felt \_\_\_\_\_ Adjective, but I had to decide between sleeping \_\_\_\_\_ Preposition or cooking \_\_\_\_\_ Food. My \_\_\_\_\_ Part of Body chose sleep.

My \_\_\_\_\_ Part of Body later regretted this decision, and after \_\_\_\_\_ Number \_\_\_\_\_ Adjective \_\_\_\_\_ Repeat \_\_\_\_\_ Last Part of Body growls, I finally decided to make a quick stop by the \_\_\_\_\_ Location and grab a \_\_\_\_\_ Noun before my test. Since the semester was \_\_\_\_\_ Verb Present ends in ING and everyone was going home for the \_\_\_\_\_ season, a lot of \_\_\_\_\_ Noun Plural were on sale, including the \_\_\_\_\_ Noun Plural and candy that they kept up front. Being in the \_\_\_\_\_ Adjective state that I was in, it felt only \_\_\_\_\_ Adjective to pick the \_\_\_\_\_ Adjective Ends in EST, \_\_\_\_\_ Adjective Ends in EST candy in order to get more \_\_\_\_\_ Noun for my buck.

And there they sat: \_\_\_\_\_ Number bags of \_\_\_\_\_ Proper Noun \_\_\_\_\_ Noun Free Gummi \_\_\_\_\_ Animal - \_\_\_\_\_ Plural, buy one get one free.

"What a deal!" I thought \_\_\_\_\_ Adverb. I would eat \_\_\_\_\_ Number bags before my test, and \_\_\_\_\_ Number bags afterwards.

As I walked to class, I \_\_\_\_\_ Adverb chewed on those \_\_\_\_\_ Adjective little \_\_\_\_\_ Noun Plural, unaware of the utter mayhem that they would soon unleash upon my poor, poor \_\_\_\_\_ Part of Body.

I sat down at my \_\_\_\_\_ Noun as the \_\_\_\_\_ occupation informed us that, due to issues with \_\_\_\_\_ Verb \_\_\_\_\_ Present ends in ING in the past, \_\_\_\_\_ Noun breaks would be \_\_\_\_\_ Verb Past Tense until the completion of the exam.

"I'll give you time - such as five minutes to use the restroom now; this will be your Adjective Ends in EST chance. Any takers?"

The demon Repeat Last Animal - Plural hadn't released their unholy necromancy upon my Part of Body yet, so in my moment of Adjective foolishness, I remained Verb Past Tense, still munching on those Adjective Repeat Last Animal - Plural shaped bombs.

After the students wise enough to take the occupation - possessive offer had returned, the occupation handed out the test. I was Number questions in when it happened.

It started Adverb at first, almost like a Adjective Adjective sensation in my lower Part of Body. I thought nothing of it, assuming my body part - plural were just doing their thang.

Little did I know that my body part - plural were trying desperately to warn me of the Noun that was on the Noun.

By question Number it happened again, but this time it was followed by a Adjective pain, as if those Adjective Noun Plural had Verb Past Tense an attack upon my Part of Body. I

fought to contain the groan that tried escaping my Part of Body. It was at this point I began to Verb Base Form; something was going horribly Adjective, and I needed to get through this test before it got any adjective - ends in er.

By question Number my worst fear was upon me; the Satan Animal - Plural Adjective,

Adjective, Adjective dark magic crashed against my Part of Body like a tidal

Noun. I was able to Verb Base Form the Noun just in time, but those relentless, toxic

Repeat Last Animal - Plural

beat against it like \_\_\_\_\_ Noun Plural breaking down the \_\_\_\_\_ Noun Plural of \_\_\_\_\_ Location. I knew I wouldn't be able to so much as \_\_\_\_\_ Verb Base Form in my \_\_\_\_\_ Noun without risking a \_\_\_\_\_ Noun.

I kept \_\_\_\_\_ Verb Present ends in ING through my exam, clenching my \_\_\_\_\_ Part of Body with all my might. Beads of sweat began rolling down my \_\_\_\_\_ Part of Body. Suddenly, a \_\_\_\_\_ Adjective, \_\_\_\_\_ Adjective war cry came from my \_\_\_\_\_ Part of Body, and the entire class lifted their \_\_\_\_\_ body part - plural.

At this point, nothing mattered except expelling this \_\_\_\_\_ Adjective presence from my \_\_\_\_\_ Part of Body.

With \_\_\_\_\_ Number questions left, I \_\_\_\_\_ Adverb wrote \_\_\_\_\_ letter of the alphabet for every answer and ran out of the \_\_\_\_\_ type of room. My \_\_\_\_\_ occupation yelled something, but I was too \_\_\_\_\_ Adjective with the volcanic \_\_\_\_\_ Event that needed to take place before I could find \_\_\_\_\_ Adjective, \_\_\_\_\_ Repeat Last Adjective relief.

I burst into the \_\_\_\_\_ type of room like the \_\_\_\_\_ Proper Noun man and, behold, the \_\_\_\_\_ Adjective stall was \_\_\_\_\_ Adjective. Sun rays from the adjacent \_\_\_\_\_ Noun shone upon it, as if it were a gift from \_\_\_\_\_ Proper Noun himself. It took me less than \_\_\_\_\_ time - such as five seconds to undo my \_\_\_\_\_ clothing, pull down my \_\_\_\_\_ Noun Plural, and finally relax my weary \_\_\_\_\_ Part of Body upon the toilet seat.

It took \_\_\_\_\_ Adverb no effort to \_\_\_\_\_ Verb Base Form this demon. Almost \_\_\_\_\_ Adverb, the \_\_\_\_\_ Noun Plural of \_\_\_\_\_ Location were opened and the \_\_\_\_\_ Adjective, liquified \_\_\_\_\_ Noun Plural of an entire bag's worth of gummi \_\_\_\_\_ Repeat Last Animal - Plural cried as they burned through my \_\_\_\_\_ Part of Body and into the \_\_\_\_\_ Adjective abyss below. I had never felt such simultaneous \_\_\_\_\_ emotion - noun and \_\_\_\_\_ emotion - noun in my life.

After

\_\_\_\_\_ Number more \_\_\_\_\_ unit of time of this, I \_\_\_\_\_ Adverb went home, dug a \_\_\_\_\_ Noun in my  
\_\_\_\_\_ location in a house, and \_\_\_\_\_ Verb Past Tense the remaining bag of gummi \_\_\_\_\_ Animal - Plural.  
I \_\_\_\_\_ Verb Base Form with this; do not, I repeat do NOT eat these \_\_\_\_\_ Noun Plural of Satan. Not only did  
they cause me to \_\_\_\_\_ Verb Base Form my \_\_\_\_\_ Adjective test, but the \_\_\_\_\_ emotion - noun I experienced is  
something I wouldn't wish upon anyone, not even my \_\_\_\_\_ Adjective Ends in EST enemy. The only place these  
god forsaken \_\_\_\_\_ Location \_\_\_\_\_ Animal - Plural belong are \_\_\_\_\_ Verb Past Tense deep below the  
\_\_\_\_\_ Location.
