Once Upon A Blank: The Bride & Groom's Romance

When Aloysius met Jasmine, it was at first sight. He couldn't believe his eyes. She smelled like flowers and walked as graceful as a swan. He came over to say "you're beautiful" and introduced _____Noun Plural_____. She was so _____Noun Plural_____! She has never seen someone like him before and thought he was super cute. They exchanged glances for a while and then exchanged phone numbers. On their first date, they met at a cafe and he couldn't keep eyes off of her. After a long night, he offered to send her home. She looked at him and said "So call me maybe" and he just knew, he had to marry her. Since then, they have been inseperable and here they are today.
