Super Animal

Deep in the (_____Adjective_____) jungle, lives an incredible creature known as the Snelephat! This animal is like no other--it has superpowers that make it a master of survival.

First, its (_____Part of Body_____) acts like an elephant's trunk, allowing it to smell things from (_____Number_____) miles away. Imagine sniffing a (_____Food_____) from that far with your (_____Repeat Last Part of Body_____)!

Next, it uses eco-location like a bat. By making tiny (_____Sound_____) noises, it can find its way through the darkest (_____Noun Plural_____) or the (_____Adjective Ends in EST_____) forests. It's like having a built-in GPS that never runs out of battery!

But wait, there's more! The Snelephat also has heat sensors, just like a snake. Its (_____Part of Body_____) can sense even the (_____Adjective Ends in EST_____) changes in temperature. This helps it find (_____Noun Plural_____) to eat, even when they're hiding.

The Snelephat is truly one-of-a-kind. Scientists say it's the (_____Adjective_____) champion of the animal kingdom! Would you want to _____Verb Base Form_____ this super-sense animal?
