I'm the Doctor

" _____
Exclamation _____!" I shout as the last of the regeneration energy fades. Every _____
Noun _____ to my

Part of Body _____ has been rewritten, and the _____
Noun _____ that I once was, is no more. But I am alive, very
much so. _____
Verb Present ends in ING _____ to my feet, it finally strikes me -- What do I look like? Am I

Adjective _____, or do I have _____
Number _____ heads? Oh, what about a/ _____
Noun _____? I've never been one of
those before. I begin to take inventory of my new _____
Noun _____ starting by _____
Part of Body _____ my

Part of Body _____ . That's odd -- it feels _____
Adjective _____ and a little bit like a/ _____
Animal _____ . And my

Part of Body _____ , they feel like they are the size of _____
Noun Plural _____ . Everything is new, and yet I'm the
same _____
Noun _____ I've always been. One thing is certain -- I am still the _____
Noun _____ ! Oh, and my hair,
please tell me it's _____
color _____ .
