# How To Train A Dog

The first items you need to have to train a dog are dog treats, a good collar & a leash. The next thing you should

do is put a dog Noun in the Noun so the dog knows the bed is a safe place. One of the things

people always want to train their dog to do is to sit. To train your dog how to sit you hold your fist and say sit.

You have to push on the dogs bottom at the same time you give the command so the dog knows what you are

asking it to do. Adverb you should Adverb Verb the dog when it does the Verb

right so they know you are Adjective with them. You might want to remember to give the dog attention

every once in awhile so he or she knows you Adjective them.
