# how to catch your brothers red handed

To catch your \_\_\_\_\_red handed you will need a long string , a add \_\_\_\_\_egg and a \_\_\_\_\_valuable object and small little metal things. First \_\_\_\_\_one end of the string to the \_\_\_\_\_plastic egg. Second, \_\_\_\_\_the other end of the string to the \_\_\_\_\_valuable object. Third put the small metal pieces in the egg. Lastly put the valuable object on a table and \_\_\_\_\_the egg and wait for your \_\_\_\_\_to try and steal what ever is on the \_\_\_\_\_table. And that is how you catch your brothers red handed.
