how to catch your brothers red handed

To catch your _____^{Plural noun} red handed you will need a long string , a add _____^{Adjective} egg and a _____^{Adverb} valuable object and small little metal things. First _____^{Verb} one end of the string to the _____^{Adjective} plastic egg. Second, _____^{Verb} the other end of the string to the _____^{Adverb} valuable object. Third put the small metal pieces in the egg. Lastly put the valuable object on a table and _____^{Verb} the egg and wait for your _____^{Plural noun} to try and steal what ever is on the _____^{Adjective} table. And that is how you catch your brothers red handed.
