Ignorance by Paramore

If I'm a Adjective Noun you don't like me

Well, I guess I'll make my own way

It's a circle, a Adjective cycle

I can't excite you anymore

Where's your Noun? Your Noun?

What's my offense this time?

You're not a judge but if you're gonna judge me

Well, sentence me to another life

Don't wanna hear your Adjective songs

I don't wanna feel your Feeling

When you swear it's all my fault

'Cause you know we're not the same

No, we're not the same, oh, we're not the same

We're the friends who stuck together

We wrote our names in Liquid

But I guess you can't accept that the change is good

It's good, it's good

Well, you treat me just like another stranger

Well, it's nice to meet you, sir

I guess I'll go, I best be on my way out

You treat me just like another stranger

Well, it's nice to meet you, sir

I guess I'll go, I best be on my way out

Ignorance is your new Adjective friend

Ignorance is your new Adjective friend

This is the best thing that could've happened

Any longer and I wouldn't have made it

It's not a war, no, it's not a rapture

I'm just a person but you can't take it

The Adjective tricks that, that once fooled me

They won't get you anywhere

I'm not the Adjective kid from your memory

Well, now I can fend for myself

Don't wanna hear your Adjective songs

I don't wanna feel your Feeling

When you swear it's all my fault

'Cause you know we're not the same

No, we're not the same, oh, we're not the same

Yeah, we used to stick together

We wrote our names in Liquid

But I guess you can't accept that the change is good

It's good, it's good

Well, you treat me just like another stranger

Well, it's nice to meet you, sir

Well, I guess I'll go, I best be on my way out

You treat me just like another stranger

Well, it's nice to meet you, sir

Well, I guess I'll go, I best be on my way out

Ignorance is your new Adjective friend

Ignorance is your new Adjective friend

Ignorance is your new Adjective friend

Ignorance is your new Adjective friend

Well, you treat me just like another stranger

Well, it's nice to meet you, sir

Well, I guess I'll go, I best be on my way out

You treat me just like another stranger

Well, it's nice to meet you, sir

I guess I'll go, I best be on my way out.
