When you get the farts

Tips for when you get gas:

1. Take a poop, make sure you use a _____ Noun.
2. Take laxatives, they will help it _____ Adjective right out.
3. If you are still gassy after this be sure to eat carrots.
4. Also try using a tampon in the rear end where you feel most pain.
5. Sing a song about _____ Adjective farts.
6. Make some pancakes, make sure to mix in lots of mustard and ketchup.
7. Pull your finger (works everytime).
8. Have someone push on your Belly.
- 9.

Have your _____ squeeze your Butt Cheeks together.

10. Go for a long jog, but you have to be sure to fart every minute to get it out.
