Pokemon Adventure to Disney World in December

One day _____Name_____the most _____Adjective_____pokemon decided he was bored. He didn't know what to do.

He was a _____Adverb_____pokemon and he didn't feel he had much electricity in his life. He wanted to spruce things up a bit. So on a lonely wintery December day he decided to take a trip to Disney World in Florida. Now let us _____Adjective_____you a little bit of something about _____Name_____. He is an electric pokemon as we mentioned before however he does not get out much unless he wishes to battle other pokemon. So on this lonely day in December _____Name_____decided to get on a plane and fly to Florida.

Once on the plane when _____Name_____was sleeping he had a crazy dream he was flying above the clouds and saw a flying pig. We all know that pigs don't fly. _____Name_____was so scared about his dream and seeing a flying pig that he decided to become a vegetarian and never eat meat again. He made the pilot turn around the plane and go back home instead of Disney World. There he was once again bored in the wintery December. Oh wellll!!!
