Love Letter

Dear First name

I am just writing you this note to let you know that I think you are truly and wonderfully Adjective.

Your eyes are like two crystal-clear pools of Colour and every time I look into them, I just want to Present tense verb you.

Your skin is so Adjective I would Present tense verb you all day if it were possible.

I understand that you may not feel the same way, but I just want you to know that I spend a great deal of my time (almost Number hours a day) thinking about how amazing it would be to marry you. One day, we could be happily living in a Type of house (eg. bungalow) with Adjective jobs and maybe a couple of Plural noun. As you know, I would like to be a Job (eg. nurse plumber etc) and I think you would make a Adjective Job (eg. nurse plumber etc) so we'd always have a steady income. Not that money is everything of course.

Anyway, I must leave now, I need to finish _____ Verb ending in ing my _____ Noun.

All my _____ Emotion (eg. anger)

_____ First name
