My First Word Lib

There was a/an Adjective girl who liked to Act of violence everyone she met. She particularly hated this boy named First name. He was Same adjective also. But the girl was Same adjective but with er at the end. She Act of violence (past tense this time) him, and the police found his Adjective body on the floor. There was Body fluid everywhere, but then Police Officer Name of a person found strange fluid on the boy's buttox. Upon further examination, Same name as last found it had led back to the girl. She was charged for Serious crime and sent to jail for life.
