# def jam vendetta

a really cool game to get for ps2 is Def Jam Vendetta . it cobines fighting with \_\_\_\_\_Adjective Rappers . there are 6 \_\_\_\_\_Adjective stages to choose from , and \_\_\_\_\_Number Characters to choose from . there are 3 games to play . Def jam Vendetta , Def Jam fights for NewYork , Def Jam Icon . Those games are very \_\_\_\_\_Adjective to play . the best characters i think are \_\_\_\_\_Noun , \_\_\_\_\_Noun , and \_\_\_\_\_Noun . the game is pretty hard to pass , you must pass \_\_\_\_\_Noun mode . if your fighting is real good in this game your Character will get in \_\_\_\_\_Adjective mode . this mode makes your Character very \_\_\_\_\_Adjective . so next time your in a store that sells game , pick up a copy of any of the def jam games . Remember this game is really \_\_\_\_\_Adjective .
