In the Sky

It was a _____Adjective_____day. I was walking my pet _____Animal_____when all of a sudden a gigantic _____Noun_____appears in the sky. I look over to notice my _____Same animal_____is missing, and the leash has been _____Past tense verb_____off. Then, _____Plural noun_____begin shooting down from the sky, tearing holes in the ground. _____Adverb_____and _____Adverb_____ I _____Adverb_____for my _____Same animal_____ avoiding the lasers. After a while, I give up, and look back up to the sky, where the clouds start to form a large animal. I jump back, running to my house, hoping not to get shot by a laser. I slam the door, locking it behind me. Sounds of panic and explosion burst from outside, but I quickly open the door to the basement, and run down. After a few minutes, the entire house is torn from above, and a huge ship is coming down from the sky. Then, right as I start to run, it lands on me, and kills me. The End.
